Re: In re BroadBand Office, Inc., Case No. 01-1720-GMS (Chap. 11)

As you know, this office represents BroadBand Office, Inc. ("BBO") in a matter involving Technology Credit Corporation D/B/A Extreme Networks Credit Corporation ("Transferee"), in which you have been communicating with Robert Nix and/or me. As you know, BBO and Transferee are parties to a stipulation which tolls the statute of limitations for BBO to bring avoidance actions.

As explained to you earlier, we are interested in attempting to resolve this matter without the need to file a complaint with the Bankruptcy Court. In order to facilitate settlement discussions, I am requesting that you provide the following:

1. A listing of all payments made by BroadBand Office to you, reflecting the check/wire number, date, and amount of each payment. Please include all payments, regardless of whether they were made before, during, or after the preference period.
2. A listing of all invoices sent to BBO by you, reflecting the invoice number, date, and amount of each invoice. Please include all invoices, regardless of whether the products or services were furnished before, during, or after the preference period.
3. If your client wishes to make a settlement offer, we would be prepared to engage in settlement discussions upon receipt of the foregoing information.
